

WHY YOUR COMPANY NEEDS A **WATER & SEWER AUDIT**

SIGNIFICANT MONTHLY COST REDUCTIONS AND REFUNDS

WHAT IS A WATER & SEWER BILL AUDIT?

Util Auditor's Water & Sewer consulting will identify and correct inaccuracies and leakages in your billing statements first. In the event that you have been overcharged our processors will work to get you the funds that you are owed by your provider or municipality, going back as far as legally allowed in your state.

WHY COMPANIES NEED WATER & SEWER BILL AUDITING:

Water & Sewer billing can be prone to errors as a result of several factors including not only physical system inadequacies, such as an aging infrastructure or faulty metering, but also due to the complexities of newly increased regulatory requirements.

ANTICIPATED TIMELINES & REQUIRED DOCUMENTATION

Initial Audit - (1 week)

- 1 recent water & sewer invoice for each facility if billed quarterly; OR 3 invoices for each facility if billed monthly

Detailed Audit - (2 - 4 weeks)

- Util Authorization - provides access to required account data
- Util Agreement - contingent based on realized savings and refunds

Implementation

- Savings from cost reductions realized in 1-2 billing cycles
