

Re: Util Auditors, LLC

To Whom It May Concern:

It is my pleasure to recommend the services Util Auditors, LLC

They provided our company with a most worthwhile service in an efficient, prompt & friendly manner.

We received a refund of over \$38,000.00 from City of Kinston as a result of their efforts in less than 6 weeks from the time that we were contacted!

We would like to give our sincere thanks to the entire organization and hope other businesses will take advantage of their service.

Sincerely,
